Students can choose from the following options within our flexible study system:

-  Stay *one semester* (three months) – choose from a study semester (International Semester starting in late September or late March) or research semester (starting in January).
-  Stay *two semesters* (six months) – combine a study semester (International Semester starting in late September or late March) with a research semester (starting in January).
-  Stay *three semesters* (nine months) – combine two study semesters (International Semester starting in late September or late March) with a research semester (starting in January).

Both International Semesters are taught in English.
